

Milburn Game & Shooting is proud to launch Game To Cook!

WELCOME

Well here we are, the first Game To Cook Newsletter. I am delighted to be able to send you information on the fabulous venison we have available to sell direct to you, details of which are below.

All the venison we have on sale has come direct from the Quidenham Estate, Norfolk. Venison is a natural, healthy meat that is great for you and your heart. It is packed full of flavour for a wonderful taste.

All of our venison is 100% fresh - butchered, packed and frozen within a few days of being killed. We offer a wide range of easy to prepare cuts which can be delivered to your door within a few days of placing an order.

To celebrate the launch of Game To Cook I am offering free delivery on your first order if it comes to £25 or more.
