## **DUCK CLUB NEWS DECEMBER 2010**

Much to our frustration conditions simply aren't right for duck flighting at the moment. We currently have no wind and frozen ponds and have therefore not been contacting members of the Duck Club to let them know upcoming dates for flights. **Just as soon as conditions change we'll be in contact!**

Those flights we have held this season have been a terrific success. With teams of 8 Guns around a very large pond on the Quidenham Estate the wild birds flew high and wide and the crews bagged a selection of birds, including a mallard, gladwell and geese.

After the flight, the Guns enjoyed a beer, a warming Scotch and some hot sausages and sausage rolls whilst they chatted about the

day for 9 Guns.
